Fall Semester:

- Remember that junior year is very important **academically**; Make sure you are working hard in all of your classes.
- Complete your **YouScience assessment** and investigate the career results.
- Log into **Scoir** account and explore colleges.
- Sign up for **Kahn Academy** SAT practice and practice at least once per week.
- Attend presentations and meetings on campus with **college admissions visitors**.

Spring Semester:

- Meet with your **post graduation counselor**.
- Use your excused absences and student holidays to **visit colleges**, take tours, and meet with admissions representatives.
- Consult with family, friends, teachers, and advisors about their **college and career experiences**.
- Begin developing a **list of potential colleges** that you feel would be a strong fit for you.
- Keep track of all academic and extracurricular involvements and accomplishments (clubs, honors, employment, volunteering, sports, etc.). Start putting it into **resume** form.
- Seek out **leadership opportunities** and become more deeply involved in your activities and interests.
- Finish the **school year strong**, and plan to make time to work on your college applications over the **summer**.
- Complete college application if you plan to apply for the **Naval Academy, West Point, or the Air Force Academy**
